

sTerm extra key support

Perşembe, 25 Ocak 2007

You may assign any key to any button using your configuration file. "number" values in #number# notation are ascii codes.

- For INSERT use:

value=#27##91##50##126#

- For DEL use:

value=#27##91##51##126#

- For PAGE UP use:

value=#27##91##53##126#

- For PAGE DOWN use:

value=#27##91##54##126#

- For HOME use:

value=#27##79##72#

- For END use:

value=#27##79##70#
